Who I Am

I'm a detail-driven Business Economics graduate with hands-on experience turning data into clear, accurate, and actionable results.

- I specialize in data operations, record management, and administrative support — backed by a one-year experience at DOLE XI Davao City and a Python data visualization certification from KMUTT.

My Goals

01

Career Advancement

Grow professionally through challenging data and admin roles — building leadership, decision-making, and strategic skills for long-term career progression.

02

Technical Skill Development

Continuously enhance abilities in data analysis, invoice processing, and digital tools like Python and Excel — increasing versatility in data-driven environments.

03

Work-Life Balance

Maintain a sustainable approach to professional life that prioritizes well-being, ensuring consistent productivity and personal growth.

Skills Snapshot

Data & Records

Data entry, invoice processing, discrepancy identification, record & file management

Tools Used

Excel, Google Sheets, Python (Pandas, Matplotlib), Google Workspace, Canva, ZOOM

Analysis

Labor market data analysis, ARIMA forecasting, data visualization, statistical research

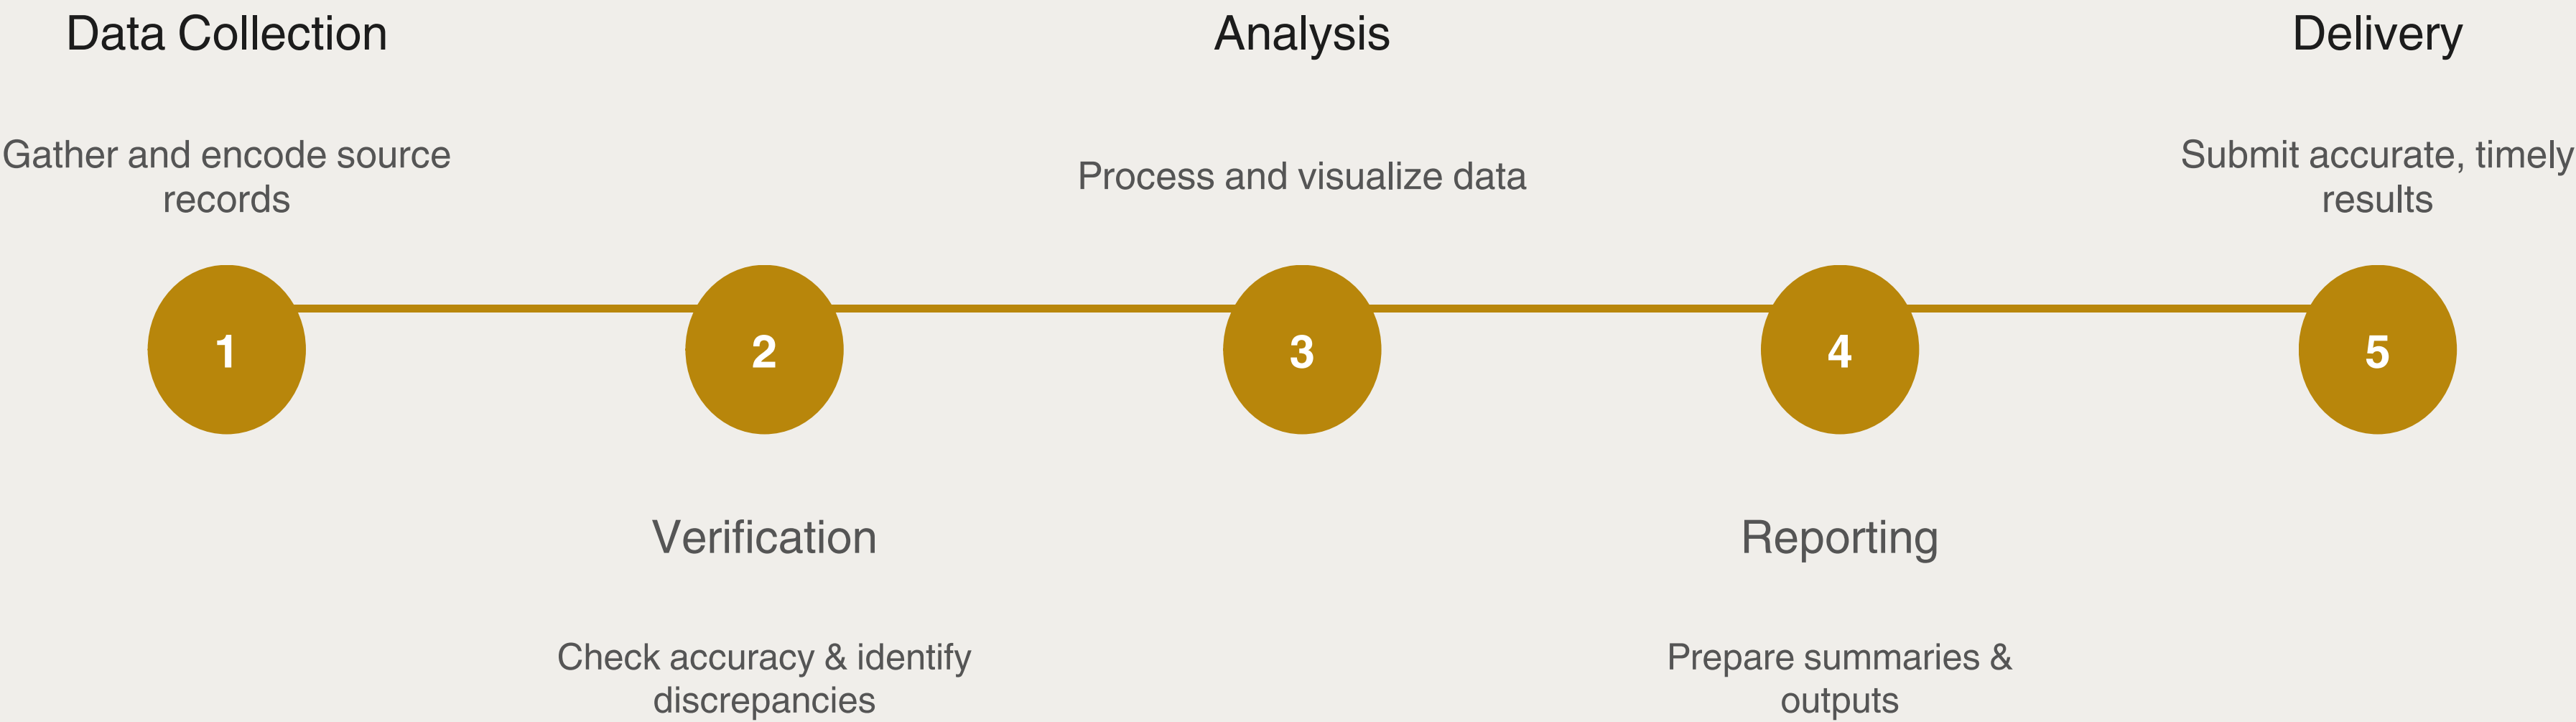

Admin Support

Payroll processing, audit documentation, report writing, program facilitation

Communication

Flyer design, quick-guide website development, coordination

My Work

Project

Youth City Labor Market Analysis 2025

Organization
DOLE Region XI – Davao City Field Office

14,104
Graduates Covered

Role
Data Consolidation, Analysis & Visualization

13,138
Job Vacancies Analyzed

Goal
Produce actionable employment insights for Davao City regional planning, covering graduates, job vacancies, and employer data.

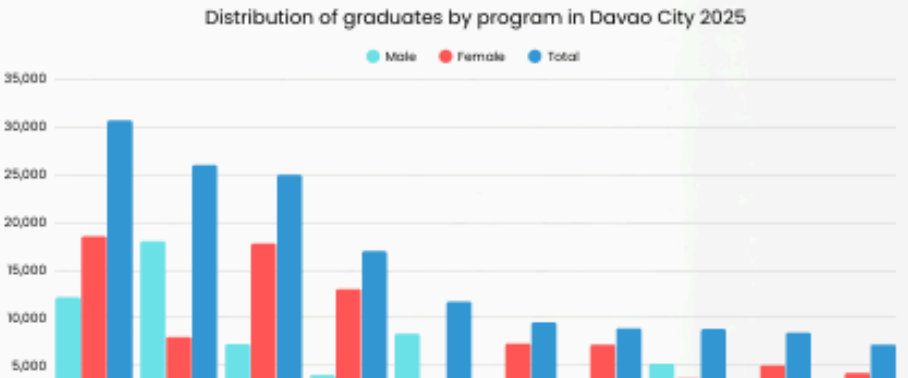

671
Companies Profiled

2025
REPORT
UPDATES

14,104 GRADUATES
13,138 JOB VACANCIES
671 COMPANIES

In 2025, a total of **14,104 graduates** were recorded from partner schools, alongside **13,138 job vacancies** generated by **671 companies** in Davao City.
- CHED RO XI / PESO

DISTRIBUTION OF GRADUATES BY FIELD OF STUDY

Project

JOHN LOU L. CAMBIAL

ADMINISTRATIVE AND DATA SUPPORT ASSOCIATE

GIP & PHILJOB Quick-Guide Website

Role

Web Developer & Content Creator

Organization

DOLE XI – Davao City Field Office

Outcome

Reduced inquiry handling time significantly. Clear multi-page navigation covering GIP overview, application steps, and post-registration instructions. Complemented by printed flyers for in-office distribution.

Goal

Improve public access to the Government Internship Program (GIP) and PHILJOB registration by creating a simple, navigable guide website.

Where I'm Going

- Expanding into data capture and Admin processing roles in remote, on-site or hybrid work environments
- Deepening expertise in Graphics, Excel automation, and data management systems
- Building experience in data handling and business operations support
- Long-term goal: Grow into a Data Analyst or Business Operations Specialist role
